**Sub: AARDO-ROC International Workshop on "Aquaculture Technology and Industry Development"
Taiwan, Republic of China, 18-22 September 2017.**

Excellency,

I have the honour to inform Your Excellency that AARDO, in collaboration with the esteemed Government of the Republic of China (Taiwan), is organizing an international workshop on "Aquaculture Technology and Industry Development" at Taiwan Fisheries Research Institute (TFRI), Taipei, R O China during 18 – 22 September 2017. The workshop will focus on the following aspects:

- Taiwan's development experiences of aquaculture and its biotechnology related industries.
- Ornamental fish industry in Taiwan; and
- Marketing of fisheries products and intelligent aquaculture.

The workshop will provide an overall view on the aquaculture technology and industry development, marketing in fisheries and intelligent aquaculture in Taiwan. The workshop will consist of two parts, namely, plenary session and field visits. In the plenary session, resource persons from different specialized institutions of Taiwan will deliver their expert presentations on various aspects of aquaculture development and technology. The Field Visits during the programme will provide an exposure to the fish farms, fishing communities, fishing harbors, ornamental fish industry and related organizations with successful experiences of aquaculture industry development.

The workshop will be attended by aquaculture experts and those who are involved in policy making and planning with regard to aquaculture development in the AARDO member countries.

Considering the importance of the subject in Excellency's esteemed country, Excellency is requested to kindly arrange to nominate two suitable fisheries experts, in order of preference (principal and alternate), to participate in this workshop.
