**Sub: International Workshop on "Fishing Technology and Industry Development"  
Taipei, Republic of China, 27 November – 03 December 2016.**

Excellency,

I have the honour to inform Your Excellency that AARDO, in collaboration with the esteemed Government of the Republic of China (Taiwan), is organizing an international workshop on "Fisheries Technology and Industry Development" at Taiwan Fisheries Research Institute (TFRI), Taipei, R O China, during 27 November – 03 December 2016, with the following objectives:

- To recognize the new era of fishing technology and industry development and contribution to agricultural and rural development, especially in African-Asian countries;
- To observe, understand and learn various fishing technologies for rural development; and
- To realize the appropriate policies and practices to develop marine capture fisheries.

The workshop will provide an overall view of the Fishing Technology and Industry Development in Taiwan, including 'Marine Fisheries Management', 'Seafood Supply Chain', 'High Seas', 'Offshore' and 'Coastal Fishing Industry', 'Fishing Community Development', and 'Fishing Technology Development'.

The workshop will consist of two parts, plenary sessions and field visits. In the plenary sessions, resource persons, from various specialized institutions of Taiwan, will deliver their expert presentations on various aspects of fisheries development and technology. The Field Visits during the programme will provide an exposure to the successful experiences of fishery industry development at several fish markets, fishing communities, fishing harbors and related organizations.

The workshop will be attended by fisheries experts and those who are involved in policy making and planning with regard to fisheries development in the AARDO member countries.

(An autonomous inter-governmental organization established in 1962)

E-mail : aardohq@aardo.org; Website : <http://www.aardo.org>

Considering the importance of the subject in Excellency's esteemed country, Your Excellency is requested to kindly arrange to nominate two suitable **fisheries experts**, in order of preference (principal and alternate), to participate in this workshop.

For participation of the selected candidates, while AARDO will provide the return journey air tickets besides a suitable honorarium, local hospitality, which include board & lodging, study material, field visits and local transportation during the their stay in Taiwan, will be provided by the esteemed Government of the R O China.

**It is worth to mention here that AARDO does not meet expenses of the participants on obtaining passport, visa, airport tax, phone calls etc. The nominating country governments may consider providing sufficient funds to enable its candidates to meet such expenses.**

It is requested that the prospective nominees may kindly be advised to apply ONLINE through <http://aardo.org/aardohomepage/formDD.php>. **The scanned copy of the application (submitted online) duly recommended by competent authority may kindly be arranged to be forwarded to AARDO Secretariat through email: [cb.aardo@gmail.com](mailto:cb.aardo@gmail.com) , latest by 30 October 2016 for consideration.**

The selection of the candidate(s) will be made in accordance with the availability of slots, response from member countries and consultation with the host Institution. **Preference will be given to the candidates from countries that are regularly paying the membership contribution.**

Kindly accept, Excellency, the renewed assurances of my highest consideration.

Sincerely,

Eng. Wassfi Hassan El Sreihin  
Secretary General
